OFFICE OF THE SURGEON-GENERAL
WITH THE GOVERNMENT OF BOMBAY:
Bombay, 16th August 1946.

From

MAJOR GENERAL A. H. HARTY, C.I.E., K.H.P., I.M.S.,
Surgeon General with the Government of Bombay,
Bombay No. 1;

To

THE SECRETARY TO THE GOVERNMENT OF BOMBAY,
General Department, Bombay.

Subject.—Annual Report on Mental Hospitals in the Province of Bombay for the year 1945.

Sir,

I have the honour to submit the Annual Report on Mental Hospitals in the Province of Bombay for the year 1945.

Buildings.

2. *Major Works.*—No new major works pertaining to Mental Hospitals were sanctioned during the year under report.

Minor Works.—Minor works costing about Rs. 5,012 were sanctioned at the Mental Hospitals at Thana, Ahmedabad, Dharwar and Yeravda.

The buildings of the Mental Hospitals have been kept in good condition, the necessary repairs having been carried out by the Public Works Department.

Water Supply.

3. The water supply was wholesome and sufficient throughout the year at the Mental Hospitals at Yeravda, Thana and Ahmedabad. At the Mental Hospital, Ratnagiri, there was a scarcity of water during the months of March, April and May owing to very limited supply from the municipal water works. At the Mental Hospital, Dharwar, the municipal water supply was deficient during the year under report due to the failure of the monsoon and the replacement of $1\frac{1}{2}''$ connection by $1''$. The bores were also not in order and two of them remained closed throughout the year and the third for some months inspite of the several attempts made by the Public Works Department to repair them. The main source of water supply for drinking purposes is from the garden well, the water of which is healthy and sweet but was found to be insufficient on account of the failure of the rains. The construction of another well in the compound of the hospital is under consideration at present.

 Acc. No ....

Accommodation.

4. Overcrowding at all the Mental Hospitals continued throughout the year, as can be seen from the following table showing accommodation and population in the first week of January 1946 :—

Mental Hospitals.	Accommodation in the first week of January 1946.			Population in the first week of January 1946.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana	240	150	390	312	209	521
Ratnagiri	134	42	176	140	33	173
Yeravda	784	443	1,227	762	571	1,333
Dharwar	138	61	199	187	60	247
Ahmedabad	206	61	267	229	88	317
Total	1,502	757	2,259	1,630	961	2,591

There were thus 332 patients (128 males and 204 females) in excess of the sanctioned accommodation.

Employment and Amusement.

5. The employment of suitable patients on various occupations such as gardening, weaving, tailoring, making coir mats, carpentry, bidis, etc., manufacturing cotton-tapes and helping in domestic duties, such as cooking, sweeping, washing clothes, corn-grinding, etc. continued as usual. The daily average number of patients employed under occupational therapy at the various Mental Hospitals in the year 1945 was 11[illegible]9·8 and the percentage of the same to the total population works out to about 30·8 per cent.

6. *Amusement.*—Indoor and out-door games, such as carom, ping-pong, cards, volley ball, foot-ball, badminton, etc., were played by some patients with great interest in appropriate seasons. Cinema shows, gramophone records, Bhajans and Indian drums and radio programmes, were greatly appreciated. Patients were provided with bidis, betelnuts, betel-leaves, tobacco, tea, sugar, milk, etc. Books, newspapers, magazines, periodicals, etc., were supplied to patients who were in a position to read. On important festival days, patients were supplied with sweets, fruits, and special dishes at their meals. A sum of Rs. 2,066 was spent on amusements and recreation to patients during the year under report.

Visitors.

7. The official visitors in all the Mental Hospitals were regular in their attendance and the remarks passed by them were satisfactory.

General.

8. *Provision for Parole.*—The system of sending patients on parole lessened to some extent the conjestion at the Mental Hospitals. During the year 468 (313 males and 155 females) patients took advantage of it, as compared with 476 in the previous year.

9. *Special accommodation.*—The scheme for the provision of special accommodation and facilities to patients who are prepared to pay for such additional amenities, introduced at the Central Mental Hospital, Yeravda, continues to be appreciated by the public.

Acknowledgments.

10. The Department expresses its thanks to all bodies and individuals who have extended their generosity towards providing additional comforts for patients in the various Mental Hospitals.

Statement I.

11. *Population.*—The following table shows the admissions, population and the daily average strength of patients in the Mental Hospitals during the years 1945 and 1944 :—

Your obedient servant,

(Signed) A. H. HARTY,
Major-General, I.M.S.,
Surgon General with the Government of Bombay.

ANNUAL REPORT OF THE CENTRAL MENTAL HOSPITAL, YERAVDA, FOR THE YEAR 1945.

Administration.

Lt.-Col. B. Z. Shah, I.M.S. (Rd.), was the Superintendent throughout the year.

Accommodation.

On the 1st January 1945 there were 1,268 patients as compared with 1,254 patients on the same date of the previous year.

The daily average number in residence was 1303·26 as against 1247·35 for the year 1944. The number in residence on the 31st December 1945 was 1,333 (excluding 6 under observation).

The present authorised accommodation is as follow :—

	Males.	Females.	Total.
Europeans	141	74	215
Indian Section No. 1 ...	124	127	251
Indian Section No. 2 ...	406	178	584
Acute Section	34	11	45
Infirmary	79	53	132
Total ...	784	443	1,227

Admissions.

Admissions during the year were 333 males and 190 females, a total of 523 (excluding 16 admitted under observation and either discharged as non-certifiable or died) as against 503 of the previous year.

Of these admissions five were Voluntary Boarders, 74 were re-admissions and 41 were admitted after parole.

The total number of patients treated during the year was 1,791.

Of the patients discharged during the year, 67 were considered as "recovered", five as "improved" and eight as "not improved" and 297 as "otherwise" (the details of which are given in the body of the statement I).

Deaths.

There were 85 deaths and six escapes during the year. Out of 85 deaths, four were among the patients admitted for observation and eight occurred within 30 days of admission. The death rate worked out for the year 1945 on the basis of the average number in daily residence is 6·52 per cent. as compared with 12·75 of the previous year.

Health of patients.

The general health of the patients was good. There was no epidemic during the year under report.

Occupational Therapy.

The daily average number of patients who were occupied in the Hospital garden, weaving sheds, carpenter's workshop etc. during the year 1945 was 262·01 males and 236·9 females, a total of 498·91 patients.

It was difficult to get materials for the work-shops, and the weaving sheds were closed.

Shock Treatment.

Insulin and cardiazol treatments were continued throughout the year. In the latter part of the year, however, supplies of insulin became unavailable

During the year under report, the Ediswan Electric Shock Therapy Machine was purchased and Dr. I. K. Mujavar, M.B.B.S., B.M.S., Deputy Superintendent, was deputed to European Mental Hospital, Ranchi, to receive instructions in the working of this machine.

Amusements.

There is a recreation club for patients where patients collect daily to read newspapers, books and listen to the radio programmes and play billiards etc. Every Tuesday and Friday the patients have social evenings, when about 100 patients foregather in the club. Once a month, the patients had a dance with a band in attendance. During the year under report a few magicians shows were also arranged for patients. On important festival days of various communities sweets and special dishes were provided.

A batch of about 16 patients is sent to the cinema shows twice a week.

Some of the patients took part in outdoor games, hockey and tennis etc.

Daily about 50 male and 50 female patient are taken out for evening walk.

An amount of Rs. 661- 4-0 was spent on amusements etc. from the discretionary grant during the year under report.

Visitors.

The attendance of the Visitors was satisfactory and none of them had anything special to report.

Acknowledgements.

Thanks are due to the Western India Theatres Ltd., Poona, for admitting a batch of about 16 patients to their cinemas twice a week free of charge.

Charitable donations in cash and in kind have been received from Messrs. A. C. Patel, P. C. Gazdar and several other ladies and gentlemen.

The Hospital is also greatly obliged to the Red Cross Society for supplying articles of Hospital comforts for military patients of a total value of Rs. 1,400 during the year under report.

We are indebted to the management of the following papers for supplying a copy of their papers to the Hospital free of charge :—

(1) Illustrated weekly of India.

(2) Bombay Chronical Daily.

(3) „ „ Sunday edition.

(4) " Stree ".

(5) " Kirloskar ".

(6) " Dnyanprakash ".

Water Supply.

The water supply was wholesome and sufficient throughout the year.
